

# CHANGE A CHILD'S LIFE - BECOME A TUTOR

## CHANGE YOUR LIFE - GET TRAINED IN THE SCIENCE OF READING

**Training Begins May 2022**

Based on the science of reading, this **free training** includes instruction on phonological awareness, phonics, vocabulary, fluency, and comprehension but goes even further into the structure of the language and practices that serve young readers best.

\*Training is free but there is a small fee for materials.

**With only five hours a week, you can change a child's life forever!**

1 in 5 children struggles to learn to read and needs our help to succeed. Becoming a trained practitioner in Multisensory Structured Language Education/Structured Literacy allows you to provide the highest quality instruction to children who struggle needlessly. Completing the course instruction and tutoring practicum instruction takes approximately one year to finish. Course instruction is taught once a month throughout the year while practicum instruction is typically completed two days a week for two hours each day. Candidates need to be available to provide practicum lessons in Chippewa Falls, WI. A completed application is required to get started. Visit [www.readwi.org](http://www.readwi.org) for more information or email [childrenscharitiesinc@gmail.com](mailto:childrenscharitiesinc@gmail.com)

\*Candidates with a bachelor's degree who successfully complete training, may be eligible to apply for certification through the Academic Language Therapy Association and/or the Center for Effective Reading Instruction.

\*\*Graduate credits may be available upon request at an additional cost.

Children's Charities, inc is a 501c3 nonprofit organization that provides tutoring to children, training to practitioners, and community awareness through local community support and contributions.
